DR. WILLIAM NORMAN GRANDY

In the memory of the man who exemplified a personal commitment to the well-being of the students, faculty and staff, the college, and for whom the faculty award is named, the 1985-86 McKendreean is respectfully dedicated.

DAYS OF SUNSHINE . . .

Left: Lisa Higgins takes advantage of the unusually warm days in November to fly her kite. Below: Chaplain Scott Lawrence visits with two students during a break between classes.

DAYS OF FUN

Lower Campus

During the past year, the maintenance department spent a great amount of time improving the appearance of the campus with the addition of shrubs, trees and flower beds.

Top: Looking toward upper campus. Middle Left: Baker, Ames and Walton Halls. Middle Right: Clowning on the steps of Barnett Hall. Left: Meetings at the mailbox.

MEMORIES . . .

Left: The Wall. Middle left: Bogie the Bearcat playing with the kids at a volleyball match. Middle right: Suzanne Hacking studying in Lower Deneen. Bottom left: Melissa Kaegel and Jeff Noblin in the McKendree Theater's production of Tom Stoppard's "After Margritte." Bottom right: A symbol of success, the college ring.

... THAT STAY

During our college career, memories are made that remain with us throughout our lives. They may range from the best places for a night out on the town to a dorm room to a favorite place to study. Whatever the memory, they remain with us as a reminder of what it was like to be young.

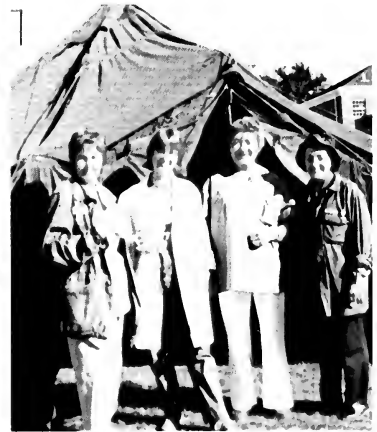

Top: Sigma pledges Debbie Kraus and Sharon Bodi proudly show off their pledge books during their ride on the fire engine with the rest of the volleyball team. Middle: Jim Barnett, Desire Brunson and Peggy Rawlings studying in the library. DORM LIFE

Life in the dorms at times resembles more a zoo than a residence hall. For every old boring day there is one that is completely off-the-wall.

Everyone Loves a Parade!

The 1985 McKendree College Homecoming Parade got off to a great start with perfect weather. The day was sunny and warm, and the crowd as well as the participants had a wonderful time. Following the parade, the soccer fans cheered as the Bearcats defeated the team from the University of Missouri-Kansas City by a score of 5-0. Later that evening alumni and students attended the Homecoming Dance at the Ramada Inn at Fairview Heights and watched as Sonnie Botwinski was crowned the Homecoming Queen by retiring Queen Bonnie Droste. Despite comic moments like the unexpected crash of the heart-shaped ice sculpture, it was a beautiful ending to a beautiful week.

Top: Jackie Gili greets a young parade-goer. Middle: Jim Sloan, Ken Carriker, Melissa Kaegel, and Betsy Sutton represent the McKendree Choir. Bottom left: APO marchers Sheila Kehrer, Cindy Wessels, Michele Shurtz and Jeff Edwards. Bottom right: The Shriners Oriental Band entertain the watchers with their music.

Homecoming Sports

The soccer game following the parade resulted in a 5-0 triumph for the Bearcats Soccer team over the visiting team from the University of Missouri-Kansas City. The evening was then ended in style with the Homecoming Dance at the Fairview Heights Ramada Inn and the coronation of Sonnie Botwinski as the 1985 Homecoming Queen.

The 1985-86 edition of the McKendree College Volleyball team enjoyed what is now becoming a common event: an excellent season. In the final NAIA poll of the season, the Lady Bearcats were ranked 10th in the nation. They won the state championship and defeated rival St. Ambrose to win Bi-state and championship and defeated rival St. Ambrose to win Bi-state and advance to Nationals in Milwaukee. Once there the ladies defeated the numbers 1 and 2 ranked team before being eliminated from the tourney. They finished the year and Coach Liz Thomas career at McKendree as the fifth best team in the nation.

In the play-offs, the Bearcats hosted the first-round game, defeating the National College of Education decisively by a score of 8-0. The team advanced to the state finals, but lost out to their nemesis of the previous year, Sangamon State University. All School Picnic

Comedian Andy Andrews made sure everyone was laughing.

Melissa Kaegel and Gary Carstens discuss the picnic.

Paul Wesselman is enjoying the day!

The All School Picnic was held on the lower campus on May 2. It began with a Hands Across Campus at 3 p.m. The participants sang and released helium balloons.

Everyone was entertained by comedian Andy Andrews and singer Rick Kelley. ARA Services set up a buffet style dinner.

At 8 p.m., a dance was held in Lower Deneen with Station PRTY providing the music. Pizza was served at 12:30 a.m. in Lower Deneen and the long day ended with videos.

Signs in Ames Hall advertised the events of the picnic.

Many people helped sell balloons which were released during Hands Across Campus.

This is one rare solemn moment during the picnic.

The Procession

At McKendree College, the academic procession is always composed of the candidates for degrees in course, the faculty, the administration, and certain others who participate in Commencement. The faculty appear in order of rank (Professor, Associate Professor, Assistant Professor, Instructor, Lecturer) with the Professors at the head of the group followed in that order by the other four ranks.

The candidates for degree-in-course represent those who have completed requirements for either the Bachelor of Arts or the Bachelor of Science degree during the 1985-86 Fall Term, Spring Term, and the 1986 Summer Term.

It has become customary for the procession to assemble in front of Stevenson House, the home of the President. The procession then moves through Centennial Gate, up Centennial Walk past the Bothwell Chapel and then into the reserved seating spaces in the southwest area of the campus.

Academic Dress

The attire worn by the candidates for degrees, the faculty, the administration, and others on the occasion of this Commencement has its roots in medieval times. The academic dress has evolved through a long tradition, going back to the medieval universities of Paris, Bologna, Oxford, and Cambridge.

The precise beginnings of the several parts of the academic regalia are hard to determine. Nonetheless, since the medieval students enjoyed the status of clerics during their university years, it has been concluded that their attire found its inspiration in the clerical dress of medieval times. It appears that the gown may be an adaptation of the robe of their friar or priest, the hood of the friar's cowl, and the mortarboard cap of today recalls the skull cap of times when tonsured heads needed protection against the drafts classrooms of medieval times.

When McKendree College was in her seventh decade of existence, academic attire first began to appear in the 1890's in the United States. Its use has now become common for college and university functions and its pattern highly uniform.

THE GOWN. There are three gowns: the bachelor's, master's and doctor's. The bachelor's is a yoked, closed-front garment, with long, pointed sleeves. The present master's has long, closed sleeves slit just above the elbow permitting the forearms to protrude. The doctoral gown has full, bell-shaped sleeves. The gown of the doctor is trimmed with velvet panels running down the front and three velvet bars on each sleeve. Black is acceptable trimming for all gowns of the doctor; however, the color of the panels and sleeves may be varied, indicating doctorate held.

THE HOOD. The hood was seemingly first worn over the head and attached to the gown. When the skull cap was introduced, the hood was retained but detached. Today it is worn around the neck, draped over the shoulders, and hangs down the back of the gown. Each degree (bachelor, master, doctor) has its special hood, which varies in length, and, in case of the doctor's, in pattern.

NATIONAL ANTHEM
INVOCATION The Reverend Scott Lawrence

HYMN: "God of Grace and God of Glory" Harry Emerson Fosdick

(Audience will begin singing with first stanza)
God of grace and God of glory,
On thy people pour thy power,
Crown thine ancient Church's story;
Bring her bud to glorious flower,
Grant us wisdom, grant us courage,
For the facing of this hour,
For the facing of this hour
Lo! the hosts of evil round us
Scorn thy Christ, assault his ways!
Fears and doubts too long have bound us,
Free our hearts to work and praise,
Grant us wisdom, grant us courage,
For the living of these days,
For the living of these days.

Cure thy children's warring madness,
Bend our pride to thy control,
Shame our wanton, selfish gladness,
Rich in things, and poor in soul,
Grant us wisdom, grant us courage,
Lest we miss thy kingdom's goal,
Lest we miss thy kingdom's goal.

Save us from weak resignation
To the evils we deplore;
Let the search for thy salvation
Be our glory evermore,
Grant us wisdom, grant us courage,
Serving thee whom we adore,
Serving thee whom we adore.

Nora and Torsvald (Randy Blakely) celebrate Christmas in "A Doll's House."

In McKendree Theater Program's fourth season, two professional and two all-student shows were produced. It started with an excellent one-woman show, "Survivors," from the Riverside Theatre. This play, written by Darrah Cloud, brought together 15 female characters in one play.

The next presentation consisted of two comic mysteries, "After Magritte" and "The Real Inspector Hound," both by Tom Stoppard. These plays provided an evening of fun, confusion, and mystery to full-house audiences. The full cast consisted of Jeff Noblin, Jeff Bowen, Tunc Kilic, Helen Arter, Melissa Kaegel, Becky Branson, Suzanne Hacking, Randy Blakely, Dan Kasten, Jeff Winget, Chris Jones, and Jeff Thornton. The stage manager was Donna Snyder, technical director was Jeff Noblin, and lights were run by Betsy Sutton.

The spring production was "A Doll's House" by Henrik Ibsen with Christine Jones as the emotionally torn Nora and Randy Blakely as her repressive husband. Other cast members included Betsy Sutton, Suzanne Hacking, Melissa Kaegel, Paul Wesselman, and Jeff Winget. Stagehands (aka. "Godsends") were Ben Lines, Roger Kingston, and Rick Vines. Technical director, Jeff Noblin, controlled lights and Donna Snyder managed the set. Both student productions were artfully directed by Dr. David Brailow.

Finally, the season was concluded on April 23, by Dr. David Brailow's Shakespearean "All the World's a Stage," written and presented by Dr. Brailow.

Editor's Page

My year as Editor of the McKendreean has been a growing process full of both happiness and disappointment. Despite obstacles such as lost shipments in the mail, flooded rooms and ruined photos, we have managed to put together the best possible book that we could. A lot of new ideas were experimented in this book. Some worked, and some didn't, but the successes and mistakes will hopefully provide the groundwork for next year's editor. I congratulate Donna Snyder as the Editor-in-Chief for the 1986-87 school year and hope that she will enjoy her year as much as I did mine.

As always, I wish to thank the many people who, without their help and support, this book would not have been published. First of all I want to thank the advisors, Rob Ariosto and Bonnie Farrington for all their advice and help. Also the staff members: Merle Wilder, Bobby Summers, Sue Waller, Sandy Kunz, Lisa Kobrman, Peggy Rawlings, and especially Donna Snyder, Assistant Editor and both right and left hands when it came to making deadlines. Another thanks to all those who made a special effort to get pictures to me for the yearbook, and I apologize to anyone who we inadvertently left out. We tried to make sure that everyone was included. A final thanks to a few people who made the year bearable and kept me from going insane quite a few times: Robbie Hale, Boyd Davis, Andrew Cooperman, Bill Krueger, last year's Editor Denise Tabor, and most of all, Myra Best; a friend advisor, psychiatrist, and my haven, spare couch and all. Thank you all. You have made my last year here something to remember.
